First Aid Fast

64-pages of first aid knowledge, great addition to the first aid kit in the home or workplace or those who want to sharpen up their knowledge in a handy compact booklet.

Emergency First Aid

Is a 260 page full colour first aid book with detailed first aid information for the home or workplace. Containing sufficient information to prepare you for a first aid course or handy reference guide.

Everyone should have an updated TGA listed first aid kit in their pocket, purse, car or home for all those small accidents to treat simple injuries at home or on the go. The Fundraiser First Aid kits and products are a practical purchase and a great gift. They are easy to sell to family, friends and contacts with profits supporting your cause. Everyone benefits!

A first aid kit is for the immediate and initial treatment of minor injuries and is not a substitute for attending a first aid course. Please ensure that additional medical treatment is sought as needed.
